

§ 160A-552. Creation of authority.

The city council of any city may, upon its own initiative, and shall, upon petition of 25 or more residents of the city, hold a public hearing on the question whether or not it is necessary for the city to organize an authority under the provisions of this Article. Notice of the time, place and purpose of such hearing shall be given by publication in a newspaper of general circulation in the city, at least once, at least 10 days before such hearing. At such hearing, an opportunity to be heard shall be granted to all residents and taxpayers of the city and all other interested persons. If, after such hearing, the city council shall by resolution determine that it is necessary for the city to organize an authority under the provisions of this Article, the city council shall appoint, as hereinafter provided, five commissioners to act as an authority. Said commission shall be a public body and a body corporate and politic upon the completion of the taking of the following proceedings:

The commissioners shall present or cause to be presented to the Secretary of State of North Carolina a written application signed by them, which shall set forth

- (1) A statement that the city council has, pursuant to this Article, and after a public hearing held as herein required, determined that it is necessary for the city to organize an authority under the provisions of this Article, and has appointed the signers of such application as commissioners of such an authority;
- (2) A statement that the commissioners desire the authority to become a public body and a body corporate and politic under this Article;
- (3) The name, address and term of office of each of the commissioners;
- (4) The name which is proposed for the corporation; and
- (5) The location and the principal office of the proposed corporation.

The application shall be accompanied by a copy, certified by the city clerk, of the resolution or resolutions of the city council making such determination and appointments. The application shall be subscribed and sworn to by each of said commissioners before an officer authorized by law to take and certify oaths, who shall certify upon the application that he personally knows said commissioners and knows them to be the persons appointed as stated in the application, and that each subscribed and swore thereto in the officer's presence. The Secretary of State shall examine the application and if he finds that the name proposed for the corporation is not identical with that of a person or any other corporation of this State or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded, as herein provided, the authority shall constitute a public body and body corporate and politic under the name proposed in the application; and the Secretary of State shall make and issue a certificate of incorporation pursuant to this Article, under the seal of the State, and shall record the same with the application.

The boundaries of such authority shall be coterminous with those of such city.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have been established in accordance with the provisions of this Article upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof.
